INDEPENDENT NOMINATING PETITION RULES

Adopted: December 18, 2018

These Rules are adopted by the Board of Elections in the City of New York [hereinafter "Board"] pursuant to Election Law § 6-154 (2). Everyone is urged to consult the Election Law and Regulations of the New York State Board of Elections, 9 NYCRR §6215 as well as these Rules.

DEFINITIONS:

- Petition*** - A “petition” is all of the one or more sheets, which may be filed with the Board in one or more volumes, together with any required cover sheet, which nominate the same candidate for a particular public office.
- Petition Volume*** - A “petition volume” is the petition sheet or in the case of multiple sheets, the securely fastened grouping of petition sheets for one or more candidates or group of candidates.
- Cover Sheet*** - A “cover sheet” is the form (as set forth in Rule C of these Rules) to be filed with the Board which summarizes what petition volume or volumes comprise the petition for each candidate for a particular public office or party position.
- Election Document*** - An “election document” includes, but is not limited to, a petition, cover sheet, amended cover sheet, transcripts, minutes, any certificate or document filed with the Board, pursuant to the Election Law, relating to qualifying a candidate to appear on the ballot.

A. GENERAL REQUIREMENTS

- A1. An independent nominating petition shall comply with the provisions of Sections 6-138 and 6-140 of the Election Law. In the case of multiple sheets of the same volume of a nominating petition, those sheets shall be securely fastened together in one or more petition volumes. The sheets in each petition volume shall be numbered sequentially at the bottom of each sheet.
- A2. All election documents required to be filed pursuant to Section 1-106 of the Election Law shall, unless otherwise provided, be filed in person between the hours of 9:00 a.m. and 5:00 p.m. at the Executive Office of the Board of Elections, 32 Broadway, 7th Floor, Borough of Manhattan, New York, NY 10004. If the last day for filing shall fall on a Saturday, Sunday, or legal holiday, the next business day shall become the last day for filing. The Board of Elections shall be open for the receipt of any document from 9:00 a.m. until Midnight on the last day to file any such document. Failure of any person or entity to deliver any such document to the Board of Elections on or before the last day to file same shall be a fatal defect.
- A3. The order of ballot for a SPECIAL ELECTION (held at a time other than the General Election) shall be determined for independent nominations by the first candidate to file a cover sheet, if required, and a sufficient number of signatures to qualify that candidate to appear on the ballot. All subsequent candidates shall appear thereafter in order of filing as described above
- A4. The order of ballot for the GENERAL ELECTION and any SPECIAL ELECTION held at the time of the General Election shall be determined for independent nominations by the first candidate for the highest office for which an independent nominating petition has been filed (following the customary order of offices on the General Election ballot) appearing on that General Election ballot to file a cover sheet, if required, and a sufficient number of signatures to qualify that candidate to appear on the ballot. All subsequent candidates filing independent nominating petitions shall appear thereafter in order of filing as described above
- A5. Any determination regarding the name and/or emblem of independent bodies shall be made using the standard set forth in Rules A3 & A4.

- A6. With respect to the number of ballot lines a candidate may obtain, see the Statement of the Commissioners adopted on May 14, 2013, which is appended to these Rules.
- A7. Candidates (or their representative) are advised to regularly review the records maintained by the Board for public inspection for updated and current information which may be relevant to their candidacy.

B. IDENTIFICATION NUMBERS

- B1. Any petition volume, including a single page petition, shall bear a Board issued petition volume identification number issued in accordance with the provisions of this Rule.
- B2. No one is required to apply for a petition volume identification number before filing any petition volume. However, any person may apply for a petition volume identification number by submission of an Identification Number Application Form. Identification Number Application Forms are available at the Board's Candidate Records Unit, 32 Broadway, 7th Floor, New York, NY 10004. If a petition volume identification number has been assigned before the petition volume is filed, the petition volume identification number must appear prominently on the top of the petition volume, on any cover sheet, and on each copy of the lists of candidates submitted with the petition volume. The Board requests that petition volume identification numbers not be placed on the petition volume's binding.
- B3. The Board will inscribe petition volume identification numbers on all application forms. These forms will be retained in a binder for public inspection.
- B4. A pre- assigned petition volume identification number shall be used only by the candidate/s or applicant/s named in the application. Petition volume identification numbers are not transferable or assignable.
- B5. A pre-assigned petition volume identification number shall be used only for the election event for which the application is made.
- B6. Whenever a petition volume (consisting of a single or multiple pages) is filed without a pre-assigned petition volume identification number, the Board will assign a petition volume identification number at the time the petition volume is filed.

C. COVER SHEET

- C1. A cover sheet must be filed for all petitions containing ten or more sheets in one volume or consisting of more than one volume. The cover sheet SHALL BE FILED SEPARATELY from the petition volume(s). It shall not be attached to any petition volume. The failure to file a cover sheet when required by the Election Law and these Rules shall be a fatal defect. [See: *Matter of Armwood v. McCloy* [109 AD3d 558 (2d Dept, 2013) leave to appeal denied 21 NY3d 861 (2013)].
- C2. A cover sheet shall contain the following information accurately and correctly stated:
- a) the office, the independent body's name and district number (where appropriate) for which each nomination is being made;
 - b) the name and complete residence address of each candidate [for these Rules, a complete residence address includes the house number, street name, the city, state and zip code for the address (apartment number (if applicable, is recommended, but optional))];
 - c) the total number of volumes comprising each petition;
 - d) an identification of the volumes comprising the petition; when multiple volumes are filed, a single cover sheet shall be filed consistent with the Regulations of the New York State Board of Elections, 9 NYCRR §6215.2 (a) 2, with the volumes identified by listing the identification number of each volume in the petition on the cover sheet;
 - e) a statement that the petition contains the number, or in excess of the number, of valid signatures, required by the Election Law or New York City Charter (if applicable);
 - f) a place for the optional designation of a contact person to be notified to correct noncompliance with the Rules; [A cover sheet may include a fax number and/or an e-mail address for the contact person to receive communications from the Board.]
 - g) when more than one candidate is nominated on the same petition volumes, the candidates may be grouped together on a cover sheet so that the number of volumes comprising the petition need not be repeated;
 - h) a cover sheet may consist of more than one page;
 - i) the information contained on the cover sheet must be identical to the information printed on the petition sheet for each candidate.

- j) pursuant to Election Law §4-123, a candidate for Member of the New York State Assembly or New York State Senate has the option to include on their cover sheet, the candidate's website address, which if submitted, will be published on the State Board of Elections website.
- C3. An amended cover sheet must state on its first page that it is an amended cover sheet and shall clearly identify the original cover sheet, which it is amending, by attaching a copy of the original cover sheet or by attaching a copy of the notice of non-compliance to the amended cover sheet. The amended cover sheet must contain all the information required of a cover sheet. An amended cover sheet must contain the following authentication: "This is to certify that I am authorized to file this amended cover sheet." Said authentication must be signed and dated and shall include the printed name, address, and may include the office telephone number and fax number/e-mail address of said candidate or representative.
- C4. An amended cover sheet must be filed on or before the last day to file the petition unless the amended cover sheet is filed to cure a failure to comply with the Rules after the Board has made a determination of non-compliance with these Rules. In that instance, the amended cover sheet must be filed within three (3) business days of the date of the Notice of Non-Compliance issued pursuant to Rule D of these Rules.
- C5. The Board shall conspicuously post at the front counter at the place of petition filing during the petition circulation and filing period a sign with the following notices:
- A COVER SHEET SHALL BE FILED SEPARATELY from any petition volume; a cover sheet is not to be attached to any petition volume;
 - All Sheets of each Petition Volume consisting of multiple sheets are to be SECURELY FASTENED;
 - All sheets of each Petition Volume are to be SEQUENTIALLY NUMBERED.
- C6. In the event of the filing of multiple coversheets or amended coversheets for a candidate, the last coversheet, (or amended coversheet), to be filed shall be controlling.

D. DETERMINATIONS; CURES

PURSUANT TO §6-134 (2) OF THE ELECTION LAW

- D1. Within two (2) business days of the receipt of an election document, the Board will review the election document to determine whether the election document complies with the requirements of the Election Law, the Rules and Regulations of the New York State Board of Elections and these Rules. Such review shall be limited to matters apparent on the face of the election document, the binding of each petition volume, and the numbering of the sheets of a petition volume. Such review and such determination shall be without prejudice to the Board's determination of objections and specifications of objections filed pursuant to the provisions of the Election Law and these Rules.
- D2. The Board, pursuant to the provisions of Section 3-212(5) of the Election Law, authorizes that a Commissioners' Committee composed of one Commissioner from each of the political parties represented on the Board, designated by the President and Secretary of the Board, who may make such designation by telephone, to make determinations pursuant to this Rule. In the absence and/or unavailability of the President and/or Secretary, the Commissioner of the same political party with the greatest length of service on the Board, who is available shall make such designation and shall act in the place of the President and/or Secretary who is absent or unavailable. Notice of the time and place of such meetings shall be posted at the Executive Office and on the Board's website. In the event that the Board or its duly designated Committee determines that an election document does not comply with the Election Law and/or these Rules, the Board shall forthwith notify the candidate or candidates named on the election document of its determination and the reasons therefore.
- D3. Notification of a determination of noncompliance shall be given by written notice by depositing such notice on the day of such determination with an overnight delivery service, for overnight delivery, on the next business day after the determination to either the contact person, if designated, or if not designated, to the candidate, at the address stated on the election document and/or the cover sheet, as applicable. If the candidate files with the Board written authorization, signed by the candidate for the Board to give notification by fax or e-mail transmission, then the Board may, at its discretion, send such notice to the candidate or the contact person, if

designated, by fax or e-mail transmission on the day of the determination to the fax number or e-mail address set forth by the candidate on the signed written authorization. The failure to send such voluntary fax or email notice shall not void the written notice sent by mail to extend the date for the cure of any defect in the election document.

- D4. A candidate may, within three (3) business days of the date of a determination that the election document does not comply with the Election Law, the Rules and Regulations of the State Board of Elections, and/or these Rules cure said violation, if permitted by the Election Law. Cover sheet deficiencies shall be corrected by the filing of an amended cover sheet and/or as directed in the notice of non-compliance issued pursuant to Rule C. Other deficiencies shall be cured as directed in the notice of non-compliance issued pursuant to Rule C. Such cure or correction must be received by the Board of Elections no later than the third business day following such determination. In the event of the filing of multiple amended coversheets or other documents as directed in the notice of non-compliance for a candidate, the last amended coversheet or other document as directed in the notice of non-compliance to be filed shall be controlling.
- D5. Upon expiration of the three (3) business days set forth in Rule D4, the Board or a Commissioners' Committee established pursuant to Rule D2, shall review the filed attempted cure. If the Board determines that an attempt to cure a defect does not comply with these Rules or the Election Law, the Board shall notify the candidate or candidates named on the petition/cover sheet of its determination and the reasons therefore. The Board shall give written notice of such determination and the fact that the candidate (s) will not appear on the ballot in accordance with the provisions of Section 6-154(3) of the New York State Election Law, to the candidate named in the election document, at the address stated on the election document.

E. PRIMA FACIE MATTERS

- E1. The Board reviews each election document to ensure compliance with the New York State Election Law and its Rules. On occasion, the Board determines that it appears that an election document, on its face, fails to comply with the requirements of the New York State Election Law and is not subject to a cure under Section 6-134(2) of the Election Law. In that event, the Board shall notify the candidate or designated contact person in writing, of the Board's preliminary finding of a Prima Facie defect and advise the candidate/contact person that he/she may appear at the commencement of the Board's hearings relating to said election document to contest such preliminary finding. Such review, preliminary finding and final determination shall be without prejudice to the Board's subsequent determination of objections and specifications of objections filed pursuant to the provisions of the Election Law and these Rules.
- E2. In accordance with the provisions of Section 6-138(3)(a) of the Election Law, the name selected for the independent body shall not include the name or part of the name or an abbreviation of the name or part of the name, nor shall the emblem or name of such a configuration as to create the possibility of confusion with the emblem or name of a then existing political party. The inclusion of such name is a fatal prima facie defect. [See: *DiResto v. Cornell*, (Appellate Division, 2nd Department) 59 AD3d 643.]

F. EXAMINATION AND COPYING OF ELECTION DOCUMENTS

- F1. The Commissioners of the Board, or in their absence, the Executive Director, Deputy Executive Director, the Chief Clerks, Deputy Chief Clerks or such other staff as may be designated by the Executive Director, shall control the requisition, examination and copying of any election document filed with the Board in order to assure that candidates, objectors or potential objectors and their representatives have an equal and fair opportunity to examine or copy such election documents consistent with the needs of the Board to process petitions and specifications of objections.

G. GENERAL OBJECTIONS

G1. A general objection to an election document must be filed at the Executive Office of the Board, 32 Broadway, 7th Floor, New York, NY 10004. The last day for filing general objections shall be three days after the latest date on which any part of such election document was filed, even if said election document is subsequently not claimed by the candidate(s) appearing thereon.

NOTE: The Board reserves the right to conduct an inquiry into the facts and circumstances of the filing of any document and the application of Rule G1.

G2. In the event an amended cover sheet or other election document is filed to cure noncompliance with these Rules and/or the New York State Election Law, after the last day to file an election document, any general objection and specifications filed in support of such general objection shall address only issues raised by the amended cover sheet or other amended election document. Such a general objection and specifications are without prejudice to any other issues addressed in any timely filed general objection and supporting specifications which are addressed to the election document. - H8. Objectors are warned not to include in the specifications broad, non-specific or generic claims or claims which are not supported by documents filed with the Board. The Board may dismiss the entire objections as frivolous if specifications include such claims.
- H9. The Board believes that the appropriate forum for determination of allegations of forgery or fraud is in an invalidating proceeding commenced in the Supreme Court pursuant to Election Law §16-102. Therefore, the Board does not ordinarily rule on such allegations. In the rare case where an objector seeks to obtain a ruling from the Board on an issue of fraud, or on a factual issue which cannot be determined from documents already filed with the Board (such as election documents, registration records, party call, party rules, etc.), the specifications must set forth the factual allegations with particularity. The objector should submit with the specification(s) copies of any documents or affidavits that are required in order for the Board to rule on the issue. Notwithstanding such a submission, the Board will generally decline to rule on any allegation of fraud.
- H10. Before filing specifications with the Board, the objector must serve a copy of the specifications either personally, by certified mail or by a delivery service in accordance with the provisions of Section 1-106(3) of the Election Law, as amended by Chapter 255 of the Laws of 2015, upon the candidate for public office set forth in the election document objected to.

- H11. Specifications of objections must be filed within six (6) days after the filing of general objections, in person, at the Executive Office of the Board, 32 Broadway, 7th Floor, New York, N.Y. 10004. The Executive Office will be open during the period for filing objections and specifications until midnight of each day (except Saturday and Sunday) to permit the filing of such papers in person. The Election Law does not authorize the extension of time for filing objections or specifications.
- H12. Proof of service of specifications which must identify the specification it is related to either by:
- (i) including the borough and General Objection/Specification number on the proof of service; or
 - (ii) attaching the proof of service to a copy of the first page of the specification). Such proof of service must be filed in person at the Executive Office of the Board, 32 Broadway, 7th Floor, New York, N.Y. 10004, no later than the day after specifications are filed. The Board will issue a receipt for proof of service upon filing.
- H13. Upon receipt of Specifications of Objection in a borough office, the Chief Clerk and Deputy Chief Clerk (or their designees) shall review said specifications of objections on their face and determine if said specifications appear to be frivolous or if the objectors lack standing to file such specifications. Upon such a preliminary determination by the Chief Clerk and Deputy Chief Clerk, they shall refer their preliminary determination to the appropriate Commissioners' Committee(s) (consisting of the Commissioners for those Boroughs which contain part of a specific district or for Citywide offices, the Commissioners' Executive Committee) for specifications of objections relating to election documents for all offices appearing on the Borough(s) ballot for review. If the appropriate Commissioners' Committee(s) confirms that the specifications of objection appear to be frivolous or that the objector(s) lack standing to file such specifications, they shall confirm the preliminary determination of the Chief Clerk and Deputy Chief Clerk and direct that the specifications of objections not be worked by the borough office staff. Such findings and confirmation thereof shall be reported to the full Board of Commissioners at the commencement of the hearings for their review.

I. CLERKS'/COUNSEL'S REPORT

11. The Chief Clerk and Deputy Chief Clerk of each borough shall assign staff to examine the specifications of objections and to prepare a report to the Commissioners on the objections.
12. As soon as the borough office has prepared the report to the Commissioners, the borough office shall fax and/or e-mail copies of the summary report (without line-by-line rulings) to the contact persons designated on the petition cover sheet and on the specifications to receive notices at the fax number or e-mail address indicated. Candidates or objectors who are unable to receive faxes must check with the Chief Clerk or Deputy Chief Clerk of the respective borough office if the candidate or objector wishes to review the Clerks' Report prior to the Commissioners' hearing.
13. At least twenty-four hours before each date for Commissioners' hearings, each borough office shall prepare a list of Clerks' Reports, which have not been completed and shall immediately provide a copy to the Executive Office and shall make the list available to the public. The Commissioners' hearing on Clerks' Reports included on the list will be automatically postponed from the immediate hearing date to the next hearing date scheduled by the Commissioners unless there is consent from the objector and the candidate to rule on the Clerks' Report as scheduled.
14. Once the borough office has prepared the report to the Commissioners, the original specifications of objections with the line by line rulings of the clerks will be made available for examination or copying by the objector, candidate or representative, provided that the specification is not being used by the clerks for the review of any other specifications of objections.
15. Rule F regarding examination and copying of election documents shall also apply to specifications of objections showing the clerks' line by line rulings. The use of independent nominating petitions and specifications by the clerks for the preparation of their report shall have priority over any request for examination or copying by any objector, candidate or their representative.

16. In the event that the specifications of objection present legal rather than or in addition to factual issues, said specifications of objections shall be referred to the Office of the General Counsel of the Board who shall assign staff to examine such specifications of objections and prepare a report to the Commissioners on the legal issues raised in the specifications. The notice and inspection provisions found in Sections 12, 14 and 15 of these Rules shall apply to such Counsel's Report.

J. HEARINGS

- J1. The Commissioners shall render a ruling on specifications of objections after they receive the Clerks' Report or Counsel's Report, Candidates or objectors who wish to be heard by the Commissioners should review the Clerks'/Counsel's Report and individual line-by-line rulings prior to the Commissioners' hearing. Candidates or objectors shall present to the Commissioners at the commencement of the particular hearing for that objection, a list of exceptions which identifies with specificity each ruling by the clerks or recommendation of the Board's Counsel, which is claimed to be erroneous. In view of the short deadlines and urgency of obtaining final rulings by the Board, the Board may reject any application for an extension of time to review the Clerks'/Counsel's Report when the candidate or objector received notice of the Clerks'/Counsel's Report at least 24 hours prior to the hearing (including weekends and holidays), or the candidate or objector failed to designate a fax number or e-mail address for the receipt of notice.
- J2. Attorneys appearing on behalf of a candidate or objector must file a Notice of Appearance on the Board prepared form, which includes the attorney's current address, telephone number, fax number and e-mail address.
- J3. An individual, other than an attorney, (including a candidate or objector), representing a candidate or an objector must file a Notice of Authorization that must be signed by said candidate or objector. Notices of Appearance and/or Authorization can be obtained from the Candidate Records Unit as well as at the front counter in the Commissioners' Hearing Room on hearing days.
- J4. The hearings held by the Board and its designated committees shall be transcribed by a professional reporter and/or recorded. Such recording shall

be preserved in the Board's permanent records. Any person may obtain a copy of the transcript or recording by making a written request to the Executive Director or Deputy Executive Director (or their designees) and paying the applicable fee.

- J5. Whenever there is not a quorum of Commissioners present on any day scheduled for Commissioners' hearings, a committee of the Commissioners shall rule on the Clerks' Reports. The committee is constituted pursuant to Election Law §3-212 (5). The committee shall consist of the largest equal number of Commissioners from each of the political parties represented on the Board who are available and designated by the President and Secretary of the Board, who may make such designation by telephone. In the absence of the President or the Secretary, the Commissioner of the same political party with the greatest length of service on the Board who is available shall make such designation. The President and Secretary, or senior Commissioners present shall attempt to confer with the other Commissioners of the same political party before making such designation. The committee shall serve only for that hearing date, or until a quorum of the full Board is present, whichever is shorter, unless the full Board shall provide otherwise.
- J6. Pursuant to the provisions of Section 6-154(3) of the Election Law, the Board shall give written notice to each candidate the Board determines will not appear on the ballot for failure to comply with the requirements of the Election Law and/or these Rules. If that determination is made upon specific objections, the objector shall be given written notice that the candidate(s) will not appear on the ballot. The Board shall give such written notice in accordance with the provisions of Section 6-154(3) of the New York State Election Law, to the candidate named in the election document, at the address stated on the election document and the objector at the address stated on the objection.
- J7. Prior to the commencement of each session's petition hearings, a copy of the Prima Facie Calendar(s) (compiled by the Candidate Records Unit and/or the Office of the General Counsel) and the Specifications of Objections Calendar(s) for that session shall be posted at or near the entrance of the hearing room for public inspection.

K. JUDICIAL PROCEEDINGS

- K1. Judicial proceedings are governed by Article 16 of the New York State Election Law. On June 18, 2012, the Commissioners adopted a policy statement and recommended provision for inclusion in any proposed Order to Show Cause sought pursuant to §16-102 of the Election Law. For all Elections, the attention of all candidates, objectors and their legal counsels is directed to the Notice containing the foregoing, which is appended to these Rules.

NOTICE TO CANDIDATES, OBJECTORS AND THEIR LEGAL COUNSELS

Filing Petitions and Other Documents with the Board of Elections in the City of New York

**RE: Orders to Show Cause under Section 16-102
of the New York State Election Law**

The Commissioners of Elections in the City of New York at their public meeting held on Tuesday, June 18, 2012 adopted the following policy statement and recommended provision for inclusion in any proposed Orders to Show Cause sought pursuant to Section 16-102 of the New York State Election Law.

In the past, the Orders to Show Cause brought under §16-102 often imposed mandates and obligations on the Board, that interfered with the activities of the Board and its staff and at a cost to the Board and the City's taxpayers. These Orders to Show Cause which have often been obtained on an ex-parte basis naming the Board of Elections, a governmental entity without notice or the opportunity to be heard.

By way of background, in prior years, on the initial return date for an Order to Show Cause in a special proceeding commenced under §16-102, usually no action is taken since the Board may not have yet completed its administrative hearings on Specification of Objections and Prima Facie findings. Under this proposed provision, when included by the Supreme Court in an Order to Show Cause, at a later stage in the litigation, when documents may actually be needed, the Court may direct the Board to produce the necessary documents and only the necessary documents. In addition, most of the Supreme Court's Election Parts conduct their line-by-line reviews of petitions at the Board's borough offices; adoption of this proposed provision would not result in a drastic change in the Supreme Court's practice.

Please note that the Commissioners directed that this attached recommended provision be made widely available by:

1. posting this Notice on the Board's website;
2. distributing copies of this Notice during petition filing weeks to each candidate, representative and objector;
3. transmitting a copy to each Administrative Judge of the Civil Terms of State Supreme Court within the City of New York requesting that they distribute the same to the Justices assigned to the Special Election Matters Part(s) and the Ex-Parte or Motion Support Office staff.

This policy and the recommended provision for inclusion in an Order to Show Cause are applicable to all §16-102 matters, be they for a Primary, General and/or Special Election. In addition, the Commissioners have determined that if an Order to Show Cause is entered (without notice to the Board) that contains a contrary provision, then the Board through the New York City Law Department would appear and oppose the inclusion of such a provision in the Order to Show Cause or seek its modification to include the recommended provision set forth below.

The Board of Elections in the City of New York thanks each candidate and their legal counsels for their cooperation and understanding.
