1 April 1, 2021

2 (The meeting commenced at 3:08 p.m.)

3 MR. RAPHAEL SAVINO: Good afternoon,
4 commissioners. We are here today on April 1, 2021
5 for a cover sheet review committee. We have the
6 pleasure of joining us Commissioner Zaccone and
7 Commissioner Pepe-Souvenir. And we're going to
8 present items to you that we're submitting to the
9 court with respect to cover sheets, amended cover
10 sheets and the like. So without further ado, I
11 will let Ms. Shpigelman present what she has for
12 the Bronx.

13 MS. ZOYA SHPIGELMAN: Good afternoon,
14 commissioners. The first matter we will be
15 discussing is the name of a candidate is Mino
16 Lora, the council member from the 11th Council
17 District in Bronx County. And initially, we sent
18 a letter of noncompliance on March 26, 2021.
19 There was no identification number claimed on the
20 cover sheet. We, she send in an amended cover
21 sheet and the bipartisan team ruled that it was
22 valid because now this new amended had the
23 identification number that is required. So --

24 MR. SAVINO: As well as the heading

1 April 1, 2021

2 amended and the certification.

3 MS. SHPIGELMAN: Correct. So we
4 recommend that this be deemed a valid cure.

5 COMMISSIONER JOHN WM. ZACCONE: I agree,
6 it appears to be a valid cure, it meets all our
7 requirements.

8 COMMISSIONER RODNEY L. PEPE-SOUVENIR:
9 And I join Commissioner Zaccone. I agree.

10 MS. SHPIGELMAN: Thank you.

11 MR. SAVINO: And with your permission,
12 commissioners, as opposed to sending documents
13 back and forth, I will put your initials and also
14 put my initials on the document unless you'd
15 prefer otherwise.

16 COMMISSIONER PEPE-SOUVENIR: No, that's
17 fine.

18 COMMISSIONER ZACCONE: Yeah, you're
19 authorized to put my initials in the appropriate
20 locations.

21 COMMISSIONER PEPE-SOUVENIR: Mine as
22 well.

23 MS. SHPIGELMAN: Okay. Thank you,
24 commissioners. If I have your permission to go to

1 April 1, 2021

2 the next matter.

3 COMMISSIONER PEPE-SOUVENIR: Yes.

4 MS. SHPIGELMAN: Okay. The name of the
5 candidate is Sammy Ravelo, president of the
6 borough of the Bronx of the city of New York. We
7 did sent a letter of noncompliance on March 29th
8 to the candidate. The name of the candidate on
9 the cover sheet did not appear on the petition
10 initially. He sent another amended cover sheet
11 and the bipartisan team reviewed it and deemed it
12 to be a valid cure. Of course, this is within
13 your discretion, so we recommend that this be
14 deemed a valid cure as well.

15 COMMISSIONER PEPE-SOUVENIR: I would
16 agree and I would allow us to agree that this is
17 a valid cure and you can place my initials to
18 that effect.

19 COMMISSIONER ZACCONE: [unintelligible]
20 [00:10:29]

21 MR. SAVINO: Oh, we can't hear you,
22 Commissioner Zaccone.

23 MS. SHPIGELMAN: We can't hear you,
24 Commissioner Zaccone.

1 April 1, 2021

2 COMMISSIONER ZACCONE: thank you, it
3 appears, from the amended cover sheet that they
4 have removed the volume where the name of the
5 candidate was not included, and the cover sheet,
6 the amended cover sheet meets all the
7 requirements so I agree with the recommendation
8 that this is a valid cure.

9 MS. SHPIGELMAN: Thank you very much.
10 And the only other matter, which was not sent to
11 you because this was a pagination issue that was
12 reviewed today, the candidate's name is Shaun
13 Donovan, the party is Democratic. Their office
14 and position is mayor of the city of New York. We
15 sent him a letter and the team reviewed his
16 pagination issue and he corrected it. So we
17 recommend that this, you know, this is a valid
18 cure as well. And the only issue that he had was
19 the page after page 58 was listed as 56, so it
20 was just a minor issue that was fixed with all
21 the --

22 COMMISSIONER ZACCONE: Okay.

23 COMMISSIONER PEPE-SOUVENIR: Did we get
24 that?

1 April 1, 2021

2 COMMISSIONER ZACCONE: No, no, we didn't
3 receive it.

4 MR. SAVINO: Well, we didn't
5 [unintelligible] [00:11:54] petition and send
6 that to you.

7 COMMISSIONER PEPE-SOUVENIR: Yeah,
8 because --

9 MR. SAVINO: We can hold it up like --

10 COMMISSIONER ZACCONE: Just to clarify
11 for me when he made the correction after page 57?

12 MS. SHPIGELMAN: Yes.

13 COMMISSIONER ZACCONE: Corrected it to
14 58?

15 MS. SHPIGELMAN: Yes.

16 COMMISSIONER ZACCONE: And were all the
17 other pages thereafter properly corrected?

18 MS. SHPIGELMAN: Yes.

19 COMMISSIONER PEPE-SOUVENIR: Okay.

20 MS. SHPIGELMAN: And everything is here.
21 We can hold it up for you if you wish, but, you
22 know.

23 COMMISSIONER ZACCONE: With the
24 representations of council, I'll agree that the

1 April 1, 2021

2 pagination cures provided was valid.

3 MS. SHPIGELMAN: Thank you so much.

4 COMMISSIONER PEPE-SOUVENIR:

5 [unintelligible] [00:12:31] Commissioner Zaccone
6 in that.

7 MR. SAVINO: Got it.

8 MS. SHPIGELMAN: Thank you,
9 commissioners.

10 COMMISSIONER ZACCONE: You're welcome.
11 I'm just looking to see what the next one is.

12 COMMISSIONER PEPE-SOUVENIR: I think it
13 would be Andy Mare. Am I right?

14 MS. SHPIGELMAN: It would be all for my
15 presentations, however I think the next matter is
16 a Bronx matter, right? You have Brooklyn?

17 MR. SAVINO: I believe so, yes. Brooklyn
18 is on --

19 COMMISSIONER PEPE-SOUVENIR: Yeah,
20 Brooklyn.

21 MS. SHPIGELMAN: Okay. Thank you.

22 COMMISSIONER ZACCONE: Yes, thank you.

23 MS. SHPIGELMAN: Thank you so much. Have
24 a great afternoon, commissioners.

1 April 1, 2021

2 COMMISSIONER ZACCONE: Thank you, you
3 too.

4 MR. SAVINO: With the forever rotating
5 staff, we have a new presenter today.

6 UNIDENTIFIED FEMALE: Good afternoon,
7 commissioners.

8 COMMISSIONER PEPE-SOUVENIR: Good
9 afternoon.

10 UNIDENTIFIED FEMALE: Okay. We have a
11 few issues with the Brooklyn. The first one is
12 for a candidate by the name of Vivian M. Morgan,
13 for the [unintelligible] [00:13:49] council.

14 COMMISSIONER ZACCONE: I'm just looking
15 here. I'm going off of your list, can I ask you
16 to start with Andy J. Marte.

17 COMMISSIONER PEPE-SOUVENIR: Right.

18 UNIDENTIFIED FEMALE: Yes. It's going to
19 be in the reverse order.

20 MR. SAVINO: That works.

21 COMMISSIONER PEPE-SOUVENIR: Thank you
22 so much, Commissioner Zacccone.

23 COMMISSIONER ZACCONE: Thank you.

24 UNIDENTIFIED FEMALE: Bear with me for

1 April 1, 2021

2 one moment, commissioners.

3 MR. SAVINO: There he is.

4 UNIDENTIFIED FEMALE: There he is. Okay,
5 commissioners, for Andrew A. Marte, for the 34th
6 Council District, Kings County, Mr. Marte, we had
7 sent him a letter stating that his petitions,
8 that they did not match.

9 MR. SAVINO: Yeah, the county that he'd
10 listed on the petitions was the wrong county.

11 UNIDENTIFIED FEMALE: Yes.

12 MR. SAVINO: And not in [unintelligible]
13 [00:14:54] on the cover sheet, right?

14 UNIDENTIFIED FEMALE: They were actually
15 listed on the original cover sheet as Queens,
16 Brooklyn / Queens. And he amended the cover sheet
17 stating Kings County for the Brooklyn, county of
18 Brooklyn.

19 COMMISSIONER PEPE-SOUVENIR: Mm-hmm.

20 MR. SAVINO: And it says it's amended.

21 UNIDENTIFIED FEMALE: And it says it's
22 amended, attached to the NCN and has the
23 certification language.

24 COMMISSIONER PEPE-SOUVENIR: Okay.

1 April 1, 2021

2 UNIDENTIFIED FEMALE: But we feel this
3 could be an attempted valid cure.

4 COMMISSIONER ZACCONE: Okay. Just give
5 me a second. I'm looking at all this. I see the
6 errors, I see the amended cover sheet and it
7 looks like it has the proper [unintelligible]
8 [00:14:54] and the signature and its listed as an
9 amended cover sheet, I agree, it's a valid cure.

10 UNIDENTIFIED FEMALE: Okay. Thank you,
11 commissioners.

12 COMMISSIONER PEPE-SOUVENIR: I join
13 Commissioner Zacccone.

14 UNIDENTIFIED FEMALE: Thank you.

15 COMMISSIONER ZACCONE: The next one is
16 Kim.

17 COMMISSIONER PEPE-SOUVENIR: Kim
18 Council, right.

19 COMMISSIONER ZACCONE: Yes. I'm just
20 downloading it now, so give me a second.

21 UNIDENTIFIED FEMALE: Okay. Here we go,
22 Kim Council. Kim Council, when we sent the NCN,
23 it was that the petition was never filed. The
24 issue was volume listed on the cover sheet not

1 April 1, 2021

2 filed. In her amended cover sheet, she only lists
3 four out of the five petitions, the one that she
4 had for petition KG2101254 she omitted on the
5 amended cover sheet. She now has filed for four
6 petitions, which she appears on.

7 COMMISSIONER ZACCONE: Okay. Thank you.
8 That's what I was going to ask you. I guess it's
9 your recommendation that this is a valid cure,
10 because that's what I see.

11 UNIDENTIFIED FEMALE: Yes, commissioner.

12 MR. SAVINO: That is correct,
13 commissioners.

14 COMMISSIONER PEPE-SOUVENIR: Right, the
15 four petitions.

16 COMMISSIONER ZACCONE: Very good. I
17 agree that it's a valid cure based on what I see
18 here.

19 UNIDENTIFIED FEMALE: Very good, thank
20 you, commissioners.

21 COMMISSIONER PEPE-SOUVENIR: Is the next
22 one Maxi Eugene?

23 MR. SAVINO: Which we will do that next
24 one.

1 April 1, 2021

2 UNIDENTIFIED FEMALE: The next one is
3 Maxi Eugene. Maxi Eugene, it does not match.
4 Okay. Her original cover sheet stated that the
5 address was wrong. The address on the original
6 was 145 Linden Boulevard. She amended the cover
7 sheet and stated that her address is 143 Linden
8 Boulevard for KG816 is the petition number.

9 COMMISSIONER PEPE-SOUVENIR: Okay.

10 COMMISSIONER ZACCONE: And that matches
11 the petitions?

12 UNIDENTIFIED FEMALE: Yes, it does.

13 COMMISSIONER ZACCONE: Okay. So --

14 MR. SAVINO: Our recommendation is it's
15 a valid cure.

16 UNIDENTIFIED FEMALE: Yes.

17 COMMISSIONER PEPE-SOUVENIR: Okay.

18 COMMISSIONER ZACCONE: I agree.

19 MR. SAVINO: Thank you, commissioners.

20 COMMISSIONER PEPE-SOUVENIR: I join the
21 other commissioner.

22 UNIDENTIFIED FEMALE: Thank you,
23 commissioners. Okay. We have --

24 COMMISSIONER ZACCONE: Echevarria?

1 April 1, 2021

2 UNIDENTIFIED FEMALE: -- Echevarria?

3 Yes, Echevarria, okay, with Echevarria, with Rick
4 Echevarria, the original cover sheet states that
5 he is on seven petitions. But when he amended his
6 cover sheet, he's only claiming the two, two of
7 the three [unintelligible] [00:19:03] petitions.
8 He's claiming NY2102123 and NY2102564.

9 MR. SAVINO: And he appears on those,
10 correct?

11 UNIDENTIFIED FEMALE: And he appears on
12 those petitions.

13 COMMISSIONER ZACCONE: Okay.

14 MR. SAVINO: And he did not appear on
15 the seven, on all of the seven that were first
16 listed.

17 COMMISSIONER ZACCONE: And all the other
18 information is correct thereon?

19 UNIDENTIFIED FEMALE: Yes.

20 COMMISSIONER ZACCONE: I'm assuming, the
21 amended cover sheet?

22 UNIDENTIFIED FEMALE: Yes.

23 COMMISSIONER ZACCONE: And the
24 certification language?

1 April 1, 2021

2 MR. SAVINO: It is there.

3 UNIDENTIFIED FEMALE: Yes.

4 COMMISSIONER ZACCONE: I authorize the
5 amended cover sheet with a signature, very good.

6 MR. SAVINO: Right, it is done slightly
7 differently, but it is there.

8 UNIDENTIFIED FEMALE: Yeah.

9 COMMISSIONER ZACCONE: Yeah, no that
10 was, I was looking, I was concerned. Alright. I
11 assume the recommendation is this is a valid
12 cure, because that's what I think.

13 MR. SAVINO: That is correct.

14 COMMISSIONER PEPE-SOUVENIR: I agree.

15 UNIDENTIFIED FEMALE: Thank you,
16 commissioners.

17 COMMISSIONER ZACCONE: Scott Murphy
18 would be next?

19 UNIDENTIFIED FEMALE: Scott Murphy.
20 Scott Murphy, on his original cover sheet, he
21 stated that the volume was KN. He now amended it
22 and stated it was KG2100943.

23 MR. SAVINO: It has amended at the top,
24 attached the prior NCN or the cover sheet and has

1 April 1, 2021

2 the language about certification, you know,
3 certified to file the amended cover sheet.

4 COMMISSIONER ZACCONE: Okay. I see a
5 sticky on it that says cure due 4/1. I am
6 assuming it's good, because it looks like he
7 filed it on the 30th.

8 UNIDENTIFIED FEMALE: 30th, yes.

9 COMMISSIONER ZACCONE: Alright. So,
10 [unintelligible] [00:20:55] --

11 MR. SAVINO: Yeah, the NCN was on the
12 29th.

13 COMMISSIONER ZACCONE: Yeah. I agree,
14 it's a valid cure.

15 COMMISSIONER PEPE-SOUVENIR: Yeah.

16 UNIDENTIFIED FEMALE: Thank you,
17 commissioners, and our last one, if you have
18 Vivia A. Morgan.

19 COMMISSIONER ZACCONE: I do.

20 UNIDENTIFIED FEMALE: Okay. With Ms.
21 Morgan, do you have her, on the cover sheet she
22 had her volume number as number one with no
23 petition number. So now in her amended cover
24 sheet, she put in her volume number and the

1 April 1, 2021

2 number of petitions. Her volume number is
3 KG2101314 and she does appear on that petition.

4 COMMISSIONER ZACCONE: I'm reviewing it,
5 it says amended on the cover sheet and it has
6 certification and the appropriate signature, and
7 so I'm assuming this is a recommendation for a
8 valid cure?

9 MR. SAVINO: That is correct. I was
10 about to say Your Honor, but that is correct,
11 commissioners. Your Honor sounds nice anyway.
12 [laughter]

13 COMMISSIONER ZACCONE: I agree with the
14 recommendation.

15 COMMISSIONER PEPE-SOUVENIR: Mm-hmm.

16 UNIDENTIFIED FEMALE: Thank you,
17 commissioners. And then we have three more. I
18 don't know which order you received them in.

19 [CROSSTALK]

20 COMMISSIONER PEPE-SOUVENIR: Hold on.
21 Let me just get that, I didn't even get to review
22 that at all.

23 MR. SAVINO: Yeah, this is a late
24 addition, so we figured the more we get done, the

1 April 1, 2021

2 sooner we get done, the better. I apologize for
3 the late addition.

4 COMMISSIONER PEPE-SOUVENIR: Sure. No
5 worries. So that's the Manhattan cover sheets,
6 there's nine? Is that what I'm looking at?

7 UNIDENTIFIED FEMALE: These are Kings.

8 COMMISSIONER ZACCONE: Still on Kings I
9 think.

10 UNIDENTIFIED FEMALE: Yes.

11 MR. SAVINO: Yeah, Manhattan is on deck,
12 awaiting eagerly outside of the --

13 COMMISSIONER PEPE-SOUVENIR: Okay. Let
14 me just go back. I'm sorry.

15 COMMISSIONER ZACCONE: Not a problem.
16 This one was what came in at 3:08.

17 COMMISSIONER PEPE-SOUVENIR: Alright.
18 Hold on. Oh, get out of here then. 3:08, I don't
19 think I got that. I got 2:49 and the next one I
20 get is 3:16. I didn't get the 3:08.

21 COMMISSIONER ZACCONE: I'll send it to
22 you now, commissioner.

23 COMMISSIONER PEPE-SOUVENIR: Yes,
24 please, thank you. Yeah, the next set I have is

1 April 1, 2021

2 of the Manhattan.

3 COMMISSIONER ZACCONE: Alright. Let me
4 get this.

5 MR. SAVINO: Oh, you know what? No, it
6 was sent there. I can resend it in a second.

7 COMMISSIONER ZACCONE: I resent it now.

8 MR. SAVINO: Apologies, okay.

9 COMMISSIONER ZACCONE: I forwarded it.

10 COMMISSIONER PEPE-SOUVENIR: I think
11 it's coming, we're just waiting.

12 COMMISSIONER ZACCONE: Yeah, while we
13 wait, the first one I have is Daniel Christmann.

14 COMMISSIONER PEPE-SOUVENIR: Okay.

15 UNIDENTIFIED FEMALE: Daniel Christmann,

16 COMMISSIONER PEPE-SOUVENIR: I didn't
17 get it yet.

18 COMMISSIONER ZACCONE: I'll just scoot
19 it along.

20 COMMISSIONER PEPE-SOUVENIR: Was it a
21 big document?

22 COMMISSIONER ZACCONE: Apparently. Oh,
23 it went to you at gmail.com.

24 COMMISSIONER PEPE-SOUVENIR: Oh, you

1 April 1, 2021

2 sent it to my gmail account, okay.

3 COMMISSIONER ZACCONE: Yeah, that's the
4 only address I have for you.

5 COMMISSIONER PEPE-SOUVENIR: Oh, sorry.
6 Okay. So let me go check my gmail account. Give
7 me a minute.

8 COMMISSIONER ZACCONE: Mr. Savino? I
9 know you guys are swamped there, but it would be
10 really helpful to us in the future if we can get
11 these a little bit earlier.

12 MR. SAVINO: I understand completely.

13 COMMISSIONER ZACCONE: And then, you
14 know, hopefully it won't be too many more this
15 year. [laughter]

16 COMMISSIONER PEPE-SOUVENIR: Sorry, you
17 have to just bear with me. I'm going to another
18 computer.

19 COMMISSIONER PEPE-SOUVENIR: If you
20 wish, I can forward to any address you like.

21 COMMISSIONER PEPE-SOUVENIR: Would you
22 mind just forwarding it to my BOE account?

23 MR. SAVINO: Certainly, I would not
24 mind.

1 April 1, 2021

2 COMMISSIONER PEPE-SOUVENIR: If you
3 don't mind.

4 COMMISSIONER ZACCONE: I'm sorry about
5 that. That's the only one I had for you.

6 COMMISSIONER PEPE-SOUVENIR: No, that's
7 all right, don't even worry about it.

8 MR. SAVINO: Okay. I sent it to the BOE
9 account, I do have other emails for you, but that
10 is the one I sent it to.

11 COMMISSIONER PEPE-SOUVENIR: Okay.

12 MR. SAVINO: To your official account.

13 COMMISSIONER PEPE-SOUVENIR: Cool. You
14 know what, I can do this. I'm ready. Daniel
15 Christmann.

16 MR. SAVINO: Christmann, okay.

17 UNIDENTIFIED FEMALE: Okay,
18 commissioners, if you're ready.

19 COMMISSIONER PEPE-SOUVENIR: I am ready.

20 UNIDENTIFIED FEMALE: Very good, thank
21 you. The issue was the letter that we had sent,
22 that the candidate did not appear on petition
23 KG2100149, which he does not. He amended his
24 cover sheet, stating that he appears on KG2101083

1 April 1, 2021

2 which the candidate does appear but he did not
3 send an amended cover sheet. He did not file an
4 amended cover sheet with us, nor the language on
5 the cover sheet.

6 COMMISSIONER ZACCONE: Okay. Just to be
7 clear, for myself, I'm looking at the second
8 document he filed on the 30th, which does not say
9 amended, does not say cover sheet, just says
10 Democratic Party, I see the identification number
11 you spoke of, does not have the certification
12 language required and does have some sort of
13 signature there, but we don't know who it is for
14 sure, we assume it's Christmann. I don't know
15 what your recommendation is, but I'm of the
16 opinion that this is an invalid cure.

17 COMMISSIONER PEPE-SOUVENIR: Right.

18 MR. SAVINO: Yes, that would be our
19 opinion. As you pointed out, it, you know, it
20 should say amended cover sheet, amended is one of
21 the key words, but it doesn't even say cover
22 sheet. So it does not say amended cover sheet and
23 it does not have the required certification
24 language.

1 April 1, 2021

2 COMMISSIONER PEPE-SOUVENIR: Then it's
3 not a valid cure.

4 MR. SAVINO: Correct. That is our
5 recommendation.

6 COMMISSIONER PEPE-SOUVENIR: Yeah. And,
7 as you indicated, the other identification number
8 is not attached to Mr. Christmann, correct.

9 MR. SAVINO: The first cover sheet, the
10 number he put down, he doesn't appear on, but on
11 the second cover sheet he does, however, he
12 didn't comply with the rules with respect to
13 amended cover sheets.

14 COMMISSIONER PEPE-SOUVENIR: Then it's
15 invalid. I would agree with Commissioner Zaccone.

16 MR. SAVINO: Alright. Thank you,
17 commissioners.

18 UNIDENTIFIED FEMALE: Thank you,
19 commissioners.

20 COMMISSIONER ZACCONE: Is the next one
21 Frankel, Eric Frankel?

22 UNIDENTIFIED FEMALE: Mr. Frankel, okay.
23 Mr. Frankel, yeah, right, Mr. Frankel, okay, on
24 this one for Mr. Frankel he did an amended cover

1 April 1, 2021

2 sheet stating that he is on petition KG2100412,
3 411 and 413. But on 411 and 413 the position
4 states that it is the 38th Council. On 412, it
5 still states that the petition for the office is
6 the 20th Council District for Kings County and
7 he's still claiming that petition number.

8 COMMISSIONER ZACCONE: And we've
9 received no other documentation or anything on
10 this?

11 COMMISSIONER PEPE-SOUVENIR: Right.

12 COMMISSIONER ZACCONE: I'm asking.

13 UNIDENTIFIED FEMALE: Yeah, because the
14 amended, that's the amended, and that's for the
15 older --

16 MR. SAVINO: Right. He's basically
17 claiming a petition number that he appears on for
18 a different candidacy, correct?

19 UNIDENTIFIED FEMALE: That's 38, so
20 here, 12 --

21 COMMISSIONER ZACCONE: Okay. So you're
22 saying that petition number 412, he --

23 MR. SAVINO: Does not match.

24 COMMISSIONER ZACCONE: -- appears on it

1 April 1, 2021

2 but it does not match the public office?

3 COMMISSIONER PEPE-SOUVENIR: Yeah.

4 UNIDENTIFIED FEMALE: Correct.

5 MR. SAVINO: It doesn't -- right.

6 COMMISSIONER PEPE-SOUVENIR: Right.

7 MR. SAVINO: [unintelligible] [00:31:45]

8 has to be running for on the cover sheet.

9 COMMISSIONER ZACCONE: Alright. And
10 again, I'm asking the question, we've received no
11 other documentation on this?

12 MR. SAVINO: Not that I'm aware of in
13 terms of [unintelligible] [00:31:58].

14 COMMISSIONER ZACCONE: Alright. Then
15 unfortunately, I believe it's an invalid cure. I
16 also note that the supposedly amended cover sheet
17 does not have the certification language that we
18 require.

19 MR. SAVINO: That is correct.

20 COMMISSIONER ZACCONE: So therefore,
21 based on the various reasons cited, I believe
22 it's an invalid cure.

23 COMMISSIONER PEPE-SOUVENIR: Invalid
24 cure.

1 April 1, 2021

2 UNIDENTIFIED FEMALE: Thank you,
3 commissioners.

4 COMMISSIONER ZACCONE: Thank you.

5 UNIDENTIFIED FEMALE: And we have one
6 more.

7 COMMISSIONER PEPE-SOUVENIR: Shadoe
8 Tarver?

9 UNIDENTIFIED FEMALE: Shadoe Tarver.
10 Okay. And Shadoe Tarver address on the previous
11 cover sheet states the zip code, which it did not
12 appear on the petition, so Shadoe sent in a new
13 cover sheet but it is not an amended cover sheet
14 and it does not have the language.

15 COMMISSIONER PEPE-SOUVENIR: It looks
16 like it doesn't have the zip code either.

17 UNIDENTIFIED FEMALE: Was there a
18 [unintelligible] [00:33:31] but I think on the,
19 if I'm correct, the petition doesn't have a zip
20 code.

21 COMMISSIONER ZACCONE: That's right.
22 From what I'm looking at here, it doesn't look
23 like the petition has the zip code.

24 UNIDENTIFIED FEMALE: Right, exactly.

1 April 1, 2021

2 COMMISSIONER ZACCONE: So on the
3 document that [unintelligible] [00:33:51] --

4 MR. SAVINO: [unintelligible] [00:33:48]
5 cover sheet, well on the original cover sheet, it
6 had the zip code.

7 UNIDENTIFIED FEMALE: Yes, on the
8 original cover sheet, it had the zip code, and he
9 amended it as well.

10 COMMISSIONER PEPE-SOUVENIR: It's not
11 amended because it doesn't say amended.

12 COMMISSIONER ZACCONE: Right. Correct.

13 COMMISSIONER PEPE-SOUVENIR: It's like a
14 brand new cover sheet.

15 COMMISSIONER ZACCONE: On the document
16 that was filed on March 30, 2021, which is the
17 latest one, it does not say the word amended.

18 COMMISSIONER PEPE-SOUVENIR: Right.

19 COMMISSIONER ZACCONE: It does not have
20 our certification language and I think as a
21 result of that, it's not a proper cure, but I'll
22 listen to counsel if they think otherwise.

23 MR. SAVINO: That is our recommendation.

24 COMMISSIONER PEPE-SOUVENIR: Not a

1 April 1, 2021

2 proper cure.

3 COMMISSIONER ZACCONE: I would agree.

4 COMMISSIONER PEPE-SOUVENIR: Yeah,
5 that's, yeah, it is what it is.

6 UNIDENTIFIED FEMALE: Okay.

7 MR. SAVINO: And I believe that is all
8 you have for today?

9 UNIDENTIFIED FEMALE: Yes, this is all I
10 had for Brooklyn.

11 COMMISSIONER ZACCONE: So that's it for
12 Kings?

13 UNIDENTIFIED FEMALE: That's it for
14 Kings. Thank you, commissioners, you have a
15 beautiful day.

16 COMMISSIONER PEPE-SOUVENIR: You too.
17 Have a good holiday. Thank you so much.

18 UNIDENTIFIED FEMALE: Thank you.

19 MR. SAVINO: Can you tell on deck?

20 COMMISSIONER ZACCONE: I'm looking at
21 Manhattan I guess now.

22 MR. SAVINO: That is correct.

23 MR. DANIEL ZIMMITTI: Hello
24 commissioners.

1 April 1, 2021

2 COMMISSIONER ZACCONE: Let me get there.
3 Can we start off with Kristin Richardson Jordan?

4 COMMISSIONER PEPE-SOUVENIR: Okay. Yeah,
5 Kristin Richardson Jordan, Kristin Richardson
6 Jordan, amended right. Okay.

7 COMMISSIONER ZACCONE: Whenever you
8 gentlemen are ready.

9 MR. ZIMMITTI: Hello, commissioners.

10 COMMISSIONER PEPE-SOUVENIR: Hello, how
11 are you?

12 MR. ZIMMITTI: Is there a particular
13 manner, I believe you might have said you would
14 wish to pull first, based on the --

15 COMMISSIONER PEPE-SOUVENIR: Kristin
16 Richardson Jordan.

17 MR. ZIMMITTI: Jordan, Richardson
18 Jordan.

19 MR. SAVINO: Sometimes the scans go in
20 reverse.

21 MR. ZIMMITTI: Yes. Is there a number
22 associated with that in the, on the e-mail?

23 MR. SAVINO: Nick often writes the
24 number on the top of the issue. Oh, you have it?

1 April 1, 2021

2 MR. ZIMMITTI: Oh, Kristin Richardson
3 Jordan, yes, number seven.

4 COMMISSIONER PEPE-SOUVENIR: Mm-hmm.

5 MR. ZIMMITTI: Okay. We had an NCN go
6 out for the candidate's address on the cover
7 sheet did not match the petitions. The cover
8 sheet had an address of 43 West 132nd Street, the
9 petition had 45 West 132nd Street. The amended
10 cover sheet does have the correct address and it
11 has the certification wording and it appears to
12 be in order. Our team found it to be an okay
13 amended cover sheet.

14 MR. SAVINO: A valid cure.

15 MR. ZIMMITTI: A valid cure, my
16 apologies.

17 MR. SAVINO: No worries.

18 COMMISSIONER ZACCONE: I agree with the
19 recommendation. I believe it's a valid cure.

20 COMMISSIONER PEPE-SOUVENIR: I join
21 Commissioner Zacccone.

22 MR. ZIMMITTI: Thank you, commissioners.

23 COMMISSIONER ZACCONE: If next we could
24 do Tali Weinstein, it's number eight.

1 April 1, 2021

2 MR. ZIMMITTI: Number eight. Okay. Yes,
3 Tali Fahradian, let me spell that, F as in Frank-
4 A-R-H-A-D-I-A-N Weinstein.

5 COMMISSIONER PEPE-SOUVENIR: Yes.

6 MR. ZIMMITTI: District attorney, the
7 original issue was again the address on the cover
8 sheet did not match the candidate's address on
9 the petitions. The address given on the petition
10 was 907 Fifth Avenue, the cover sheet had 905
11 Fifth Avenue. The amended cover sheet does have
12 the address of 907 Fifth Avenue, apartment number
13 12W, as in William, to match the petitions.

14 COMMISSIONER PEPE-SOUVENIR: Okay.

15 MR. SAVINO: And it has the language as
16 well. The recommendation would be a valid cure?

17 MR. ZIMMITTI: The recommendation is a
18 valid cure, yes.

19 COMMISSIONER ZACCONE: Yeah, I --

20 COMMISSIONER PEPE-SOUVENIR: Based on
21 that representation, I would agree that it's a
22 valid cure.

23 COMMISSIONER ZACCONE: That makes it
24 unanimous.

1 April 1, 2021

2 MR. ZIMMITTI: Thank you, commissioners.

3 Thank you.

4 COMMISSIONER ZACCONE: Let's do number
5 nine, Christopher --

6 MR. ZIMMITTI: Christopher Chin.

7 COMMISSIONER ZACCONE: [unintelligible]
8 [00:39:57].

9 MR. ZIMMITTI: Again, the NCN went out
10 on March 30th. We received the amended cover
11 sheet on March 31st, the issue was that a volume
12 number listed on the original cover sheet was not
13 submitted to the board. We have an amended cover
14 sheet listing the volumes and the volumes are in
15 fact the volumes in which Mr. Chin appears and it
16 has the certification language and it appears to
17 be a valid cure.

18 COMMISSIONER PEPE-SOUVENIR: Okay.

19 COMMISSIONER ZACCONE: I agree.

20 COMMISSIONER PEPE-SOUVENIR: I agree as
21 well.

22 MR. ZIMMITTI: Thank you. Which one
23 would you like next?

24 COMMISSIONER ZACCONE: Number one,

1 April 1, 2021

2 Joycelyn Taylor.

3 MR. ZIMMITTI: Yes. Okay. This one's a
4 bit interesting. So number one would be Jocelyn
5 Taylor and Pearlene Fields.

6 COMMISSIONER ZACCONE: Mm-hmm.

7 COMMISSIONER PEPE-SOUVENIR: Right.
8 Pearlene Fields, hmm.

9 MR. ZIMMITTI: Okay. I hope I'm not
10 mispronouncing the name. So, there are a couple
11 of issues. Originally an NCN was sent out because
12 the number of volumes claimed on the cover sheet
13 did not agree with the numbers listed. We now
14 have nine volume numbers listed, two of which
15 are, there's a duplicate. So there's really only
16 eight numbers listed, one of them is listed
17 twice. So that's why we have the nine. There are
18 also, there's also an issue with a petition
19 volume that is on the list. It's, what is it 507,
20 in volume 507, yes, had they had filed the
21 petition originally with KG2100506, but
22 intermittently throughout the petition itself,
23 there were almost like divider sheets with
24 another number throughout this whole --

1 April 1, 2021

2 MR. SAVINO: So the candidate basically
3 appears combined several volumes into one
4 petition, and you do see the current petition
5 number on the top, but then as you go through it,
6 you see different petition numbers. And obviously
7 they should be submitted separately.

8 MR. ZIMMITTI: Right. However they were
9 not submitted separately. When we sent them the
10 NCN to correct a numbering defect because it is,
11 it was submitted as one petition so they needed
12 to correct the deficiency, the numbering.

13 MR. SAVINO: The petition is numbered
14 one through [unintelligible] [00:44:04].

15 MR. ZIMMITTI: Right.

16 MR. SAVINO: It doesn't go one, two --

17 MR. ZIMMITTI: They then took a copy and
18 submitted 14 different volumes.

19 MR. SAVINO: They separated what they
20 originally filed, and then in an attempt to
21 comply with the page numbering defect.

22 MR. ZIMMITTI: However, they then
23 submitted all these volumes after the last day to
24 file.

1 April 1, 2021

2 MR. SAVINO: But in response to the page
3 numbering defects.

4 MR. ZIMMITTI: In response to the page
5 numbering, so they split it in pieces instead of
6 maybe renumbering the whole thing.

7 COMMISSIONER PEPE-SOUVENIR: So, let me
8 just understand something, let me just understand
9 something. Originally they sent in two, four,
10 six, eight, nine petitions, identification
11 numbers.

12 MR. ZIMMITTI: Yes, yes.

13 COMMISSIONER PEPE-SOUVENIR: Two of
14 which seem to be duplicates.

15 MR. ZIMMITTI: Yes.

16 COMMISSIONER PEPE-SOUVENIR: Because
17 467, 467, so then there are eight?

18 MR. ZIMMITTI: Yes.

19 COMMISSIONER PEPE-SOUVENIR: So when you
20 then examined the whole thing, it appeared that
21 they were numbers all over the place? Is that
22 what you're saying?

23 MR. ZIMMITTI: Intermittently dispersed
24 through one volume. So when they sent the

1 April 1, 2021

2 multiple volumes, they numbered them one through
3 whatever in numerical order, but then when the
4 next petition volume, which was attached, the
5 whole volume started, they would they would do
6 one through whatever once again.

7 COMMISSIONER PEPE-SOUVENIR: Okay.

8 COMMISSIONER ZACCONE: I'm kind of slow
9 guys, so I'm going to ask this question.

10 MR. ZIMMITTI: Sure.

11 COMMISSIONER ZACCONE: It helps me.
12 There's a volume number KG2100506.

13 COMMISSIONER PEPE-SOUVENIR: Right.

14 MR. ZIMMITTI: Yes.

15 COMMISSIONER ZACCONE: That's because --
16 was that properly filed timely?

17 MR. ZIMMITTI: This was filed timely,
18 yes.

19 COMMISSIONER ZACCONE: Okay. So then go
20 to KG200507. That one was part of the other
21 package and --

22 MR. ZIMMITTI: That was a separate, that
23 was not part of this, that was not included in
24 five, no.

1 April 1, 2021

2 COMMISSIONER ZACCONE: Okay. So, 507
3 which you're [unintelligible] [00:46:16] that one
4 --

5 MR. ZIMMITTI: Oh, excuse me, excuse me,
6 I'm sorry, 507 was included here.

7 COMMISSIONER ZACCONE: So there is no --
8 so my question is there is no separate KG2100507
9 that was timely filed with the board?

10 MR. ZIMMITTI: Correct.

11 COMMISSIONER ZACCONE: Okay. But they're
12 claiming it?

13 MR. ZIMMITTI: Yes.

14 MR. SAVINO: Under the attempted cure.

15 MR. ZIMMITTI: Right.

16 MR. SAVINO: I guess it was filed late.

17 COMMISSIONER ZACCONE: So if I get this
18 right, there is -- 507 was not timely filed, they
19 could not claim it and by claiming it, it's not a
20 valid cure. Is that correct?

21 MR. ZIMMITTI: Yes.

22 MR. SAVINO: Yes.

23 COMMISSIONER PEPE-SOUVENIR: Where are
24 we seeing the 507 from?

1 April 1, 2021

2 MR. ZIMMITTI: So, if I might, this was
3 the volume, this was the volume originally, if
4 you can see, this was the volume 506, which was
5 originally submitted March 25th at 9:22 a.m.

6 COMMISSIONER PEPE-SOUVENIR: Right.

7 MR. SAVINO: It meets the deadline.

8 COMMISSIONER PEPE-SOUVENIR: Right.

9 MR. ZIMMITTI: It meets the deadline.

10 Inside this one volume and it is bound the way it
11 arrived on the 25th, it is another number. They
12 put a page with signatures after with a number
13 KG2100 and, uh, excuse me, KG2100507, which is
14 there. And it was all these just are
15 intermittently dispersed throughout this one
16 original volume.

17 MR. SAVINO: Where not only did the
18 combine multiple petition volumes but when they
19 did that, obviously, well not obviously, but the
20 page numbering was wrong because it restarted for
21 every additional volume they attached.

22 MR. ZIMMITTI: Right.

23 MR. SAVINO: So when they attempted to
24 cure --

1 April 1, 2021

2 COMMISSIONER ZACCONE: So basically, in
3 my understanding that one big thick volume is one
4 volume with pagination errors. You don't stick
5 petition, you know, labels in the middle of it
6 because they're not, we count each bound volume
7 as -- each bound set as one volume.

8 MR. ZIMMITTI: Right. With a new
9 identification number, correct, obviously.

10 COMMISSIONER ZACCONE: With new
11 identification numbers. So 507 really doesn't
12 exist? Because it was not timely filed?

13 MR. ZIMMITTI: Correct.

14 COMMISSIONER ZACCONE: Now what about
15 497?

16 MR. ZIMMITTI: 497 --

17 COMMISSIONER PEPE-SOUVENIR: That's the
18 duplicate.

19 MR. ZIMMITTI: The duplicate?

20 COMMISSIONER ZACCONE: No, 467 is the
21 duplicate. I was asking about 497.

22 MR. ZIMMITTI: 497 is another one that
23 was originally in this first --

24 COMMISSIONER ZACCONE: Okay. So, so if I

1 April 1, 2021

2 understand right, then 497 was not a timely filed
3 petition volume.

4 MR. ZIMMITTI: Correct.

5 COMMISSIONER ZACCONE: Okay. And I can
6 go through the others, but just the fact that
7 there's two that are claimed that don't validly
8 exist as timey filed petition volumes, I think
9 this is an invalid cure.

10 COMMISSIONER PEPE-SOUVENIR: Right.

11 MR. ZIMMITTI: But what they did is they
12 separated a lot of the different volumes into --

13 COMMISSIONER ZACCONE: Right.

14 MR. ZIMMITTI: -- multiple volumes.

15 COMMISSIONER PEPE-SOUVENIR: Right.

16 MR. ZIMMITTI: And then they attempted
17 to cure it, but --

18 COMMISSIONER ZACCONE: But then they
19 filed it too late, you're saying.

20 MR. SAVINO: Yeah, and also when you do
21 some sort of page cure, it has to be in the same
22 order, the same fashion it was submitted in the
23 first place.

24 COMMISSIONER PEPE-SOUVENIR: Right.

1 April 1, 2021

2 MR. SAVINO: So we struggled with this
3 one a little bit too, because it's a bit
4 different, but it was not done correctly, the
5 cure.

6 COMMISSIONER ZACCONE: So I gather your
7 recommendation is it's not a valid cure, the way
8 I'm thinking?

9 MR. ZIMMITTI: Yes, that would be our
10 recommendation.

11 COMMISSIONER ZACCONE: Okay. I concur
12 with the recommendation.

13 COMMISSIONER PEPE-SOUVENIR: I concur as
14 well.

15 COMMISSIONER ZACCONE: Okay, we also
16 have a number two, Joycelyn Taylor.

17 MR. ZIMMITTI: Yes. Okay, so, on number
18 two, Joycelyn Taylor submitted, again, multiple
19 cover sheets with her name and petition volumes
20 listed. According to the rules of the board, when
21 there are multiple volumes, the last volume is
22 the one that we look at, that we accept.

23 COMMISSIONER ZACCONE: Let me attempt to
24 clarify, the last cover sheet.

1 April 1, 2021

2 MR. ZIMMITTI: Excuse me, the last cover
3 sheet is controlling, my apologies, yes.

4 COMMISSIONER ZACCONE: No problem, I'm
5 finding it. It's a lot to jumble through.

6 MR. ZIMMITTI: So we sent an NCN for a
7 few reasons. The first one was again page
8 numbering defect and the second one on March 26th
9 was the number of volumes claimed does not agree
10 with the number, the volume numbers listed.

11 COMMISSIONER PEPE-SOUVENIR: Right.

12 MR. CASTORIA: So a revised, excuse me,
13 amended cover sheet was received on the 29th at
14 6:17 p.m., which would make it the last one that
15 we received.

16 COMMISSIONER PEPE-SOUVENIR: Mm-hmm.

17 MR. ZIMMITTI: It claims 23 petition
18 volumes, however, there are only 21 numbers
19 listed.

20 COMMISSIONER PEP-SOUVENIR: Correct.

21 MR. ZIMMITTI: So there is the
22 deficiency again.

23 COMMISSIONER PEPE-SOUVENIR: Yes. It's
24 there.

1 April 1, 2021

2 COMMISSIONER ZACCONE: Alright. So it
3 looks to me to be a --

4 MR. SAVINO: An invalid cure.

5 COMMISSIONER ZACCONE: -- an
6 insufficient cure, is that your recommendation?

7 MR. SAVINO: Yes, commissioners.

8 MR. ZIMMITTI: Yes, commissioners.

9 COMMISSIONER ZACCONE: I agree.

10 COMMISSIONER PEPE-SOUVENIR: Yeah, based
11 on your representation, I agree as well.

12 MR. SAVINO: Thank you, commissioners.

13 COMMISSIONER ZACCONE: The next one up I
14 have is Raymond McGuire.

15 MR. ZIMMITTI: Raymond McGuire had a
16 page numbering defect, an NCN was sent to his
17 contact person, Joshua Oppenheimer on the 25th,
18 on the 31st, we received the copy of the volume
19 and a bipartisan team reviewed this and found
20 that the page number defect was in fact cured.
21 The original issue, just so you know, it went
22 from one to page 96, you know, fine, then it goes
23 back down to page 95, and 96, and then 97 and so
24 forth. So a bipartisan counted and viewed every

1 April 1, 2021

2 single page and found it to be a valid cure. I
3 can show you [unintelligible] [00:54:47].

4 COMMISSIONER PEPE-SOUVENIR: Okay.

5 COMMISSIONER ZACCONE: No, based upon
6 your representations, I'm okay with that. And all
7 the following page numbers were correctly
8 paginated after the cure, when the cure went
9 through?

10 MR. ZIMMITTI: Commissioner, yes,
11 commissioner.

12 COMMISSIONER ZACCONE: Okay.

13 COMMISSIONER PEPE-SOUVENIR: Alright.

14 COMMISSIONER ZACCONE: Thank you. Based
15 on that, I'll believe it's a valid cure.

16 COMMISSIONER PEPE-SOUVENIR: I'll join
17 Commissioner Shamoun, I mean Commissioner
18 Zaccone. [laughter]

19 COMMISSIONER ZACCONE: I have more hair.

20 MR. SAVINO: I hope he's not watching.

21 COMMISSIONER ZACCONE: Unfortunately, it
22 comes with many other things I have more of,
23 including pounds.

24 COMMISSIONER PEPE-SOUVENIR: We're not

1 April 1, 2021

2 going to go there.

3 MR. SAVINO: Moving on to the next one.

4 COMMISSIONER ZACCONE: Yes, please. I
5 have Marco --

6 COMMISSIONER PEPE-SOUVENIR: Tamayo.

7 MR. ZIMMITTI: Tamayo.

8 COMMISSIONER PEPE-SOUVENIR: Tamayo,
9 Tamayo.

10 MR. ZIMMITTI: Number four, okay, so we
11 had an issue, the cover sheet does not indicate
12 the party affiliation. An NCN was sent on the
13 25th of March, we received the amended cover
14 sheet on the 26th of March and the amended cover
15 sheet has the party, the Democratic Party and has
16 all the other information including the amended
17 certification language.

18 COMMISSIONER PEPE-SOUVENIR: Mm-hmm.

19 COMMISSIONER ZACCONE: So I presume it's
20 a valid cure?

21 MR. ZIMMITTI: That is --

22 MR. SAVINO: That is our recommendation.

23 COMMISSIONER ZACCONE: Alright, I
24 concur.

1 April 1, 2021

2 COMMISSIONER PEPE-SOUVENIR: I concur as
3 well.

4 MR. ZIMMITTI: Do you have a preference
5 for the next one?

6 COMMISSIONER PEPE-SOUVENIR: Tierre
7 Sopenia [phonetic].

8 MR. ZIMMITTI: So again, Tierre Sopenia,
9 Espina, who has since had an issue that the
10 number of volumes being claimed was not on the
11 original cover sheet. An NCN was sent on the 30th
12 of March, today April 1st, we received an amended
13 cover and it does have the, it does include the
14 number of volumes and it has the authorization
15 language.

16 COMMISSIONER ZACCONE: Not only does it
17 include the number of volumes, but it clearly
18 states only one.

19 MR. ZIMMITTI: Yes.

20 COMMISSIONER ZACCONE: It looks a valid
21 cure to me.

22 COMMISSIONER PEPE-SOUVENIR: Yeah. I'm
23 just curious, is the name -- okay. I notice that
24 we have it without the accent over the n, which

1 April 1, 2021

2 would make a difference in the pronunciation.

3 Does that matter?

4 MR. ZIMMITTI: I couldn't access the
5 ascii codes to get the line over the No.

6 COMMISSIONER PEPE-SOUVENIR: The accent
7 over the n, yeah. That's how he signs. So it
8 would be pronounced differently and it would look
9 different as well.

10 MR. ZIMMITTI: Yes, commissioner.

11 MR. SAVINO: Well, it's on
12 [unintelligible] [00:58:46] isn't it?

13 COMMISSIONER PEPE-SOUVENIR: You can do
14 it on the system and I forget the --

15 MR. SAVINO: Oh, I see what you're
16 saying, keep it on the ballot?

17 COMMISSIONER PEPE-SOUVENIR: Yeah, it
18 should appear on the ballot as well with the
19 accent.

20 MR. SAVINO: That would be a question
21 for the ballot folks and the tech folks, but --

22 COMMISSIONER PEPE-SOUVENIR: Yeah, we
23 could have find out, because without the accent
24 is not the proper spelling of his name.

1 April 1, 2021

2 MR. ZIMMITTI: Agreed.

3 COMMISSIONER PEPE-SOUVENIR: And I only
4 say that because our family name had two accents
5 on it and it was taken off when my father came
6 here to this country.

7 MR. ZIMMITTI: Right. And then without
8 an accent it does change the meaning.

9 COMMISSIONER PEPE-SOUVENIR: It does
10 change the meaning and it changes the sound of
11 it.

12 MR. ZIMMITTI: Is there a --

13 MR. SAVINO: What would you like next?

14 COMMISSIONER PEPE-SOUVENIR: Other than
15 that, it's fine.

16 COMMISSIONER ZACCONE: John Ruiz --

17 COMMISSIONER PEPE-SOUVENIR: Was that
18 the last one?

19 COMMISSIONER ZACCONE: -- I think is the
20 last one.

21 COMMISSIONER PEPE-SOUVENIR: Oh, yes,
22 John Ruiz and Melissa [unintelligible]
23 [00:59:51].

24 MR. ZIMMITTI: The original issue was

1 April 1, 2021

2 for Melissa Mark Viverito, female assembly
3 district leader 68th Assembly District, Part C,
4 all her, all the petitions have an apartment
5 number. Her cover sheet did not. An NCN was sent
6 on March 26th, we received on March 30th an
7 amended cover sheet which included then the
8 apartment number and all the other information on
9 an amended cover that's required.

10 COMMISSIONER PEPE-SOUVENIR: Okay. So
11 you're suggesting that it was cured?

12 MR. ZIMMITTI: Commissioner, yes.

13 COMMISSIONER PEPE-SOUVENIR: I see it.

14 COMMISSIONER ZACCONE: I agree with the
15 recommendation. It looks to be a valid cure.

16 COMMISSIONER PEPE-SOUVENIR: Mm-hmm.

17 MR. SAVINO: Thank you, commissioners.

18 MR. ZIMMITTI: Thank you.

19 COMMISSIONER ZACCONE: And I think,
20 according to my paperwork, that's the last one,
21 but if you have any more, please let me know.

22 COMMISSIONER PEPE-SOUVENIR: Right.
23 Yeah, that was the last one that I see as well.

24 MR. SAVINO: Late additions?

1 April 1, 2021

2 MR. ZIMMITTI: Did you get Vincent De
3 Marco? It was a pagination issue.

4 COMMISSIONER PEPE-SOUVENIR: Who would
5 we have gotten it from?

6 MR. ZIMMITTI: It would have in my
7 email.

8 COMMISSIONER PEPE-SOUVENIR: I didn't
9 get a pagination thing.

10 COMMISSIONER ZACCONE: Mr. Zimmitti, I'm
